

induction shrink fitting motor with rotating platform

United Induction Heating Machine Limited

We are experienced in Induction Heating, induction heating machine, Induction Heating equipment. They are widely used in induction heating service, induction heat treatment, induction brazing, induction hardening, induction welding, induction forging, induction quenching, induction soldering induction melting and induction surface treatment applications
<http://www.uihm.com>

simulation of induction shrink fitting motor/rotor (O.D. 260mm) with rotating platform by UM-60AB-HF, result is perfect.
